DEFENDANT'S EXHIBIT A

THE CLASSIC

My name is Pedro Melendez
I am 28 years old I just
want to say writing this
letter is difficult I never
thought I ever be in this
situation. It has almost been
2 years since this journey
Started, I can positively say
I am not the same man
I was back then, I have
improved myself non-stop
Thanks to therapy, my support,
and myself. I am happy
with who I am today and
I am more grounded I have
improved my marriage and the
bond with my family is
stronger then ever. My
family and the new friends
have been the strongest
support for me and they
continue to make me better.

CABE

THE CLASSIC

I am however extremely
regretful that it took this
situation to get my act
together, I am sorry to
every one involve in this. It
still makes my stomach curl
when I see how I was
talking and acting. I was
very angry and and sad
I know that's no excuse
but at the time had
no way of communicating
or expressing it, something
I am happy to say I
no longer have a issue with
any more. I know I can't
change the past but I
can still make a better
future knowing this journey
of improvement and regret
will follow me and will only
make my ambitions stronger.

I only wish I could be
with my family but I know
once I'm thru this chapter
is to get back to them and
do better.
